Examination System :

During the course, every student is evaluated through Module Test/s, Project, Presentation which form a part of the students' final evaluation.

The tests /presentation / examination are administered as per the schedule & sequence specified for the concerned batch. The student is allowed only one attempt for each of the scheduled tests/presentations.

A student who does not pass an examination will be allowed to appear for a re-exam. In case of absence, the student is allowed to reappear for the examination only if the reason of absence is provided by him with the relevant documents and the Center Director must be completely satisfied with the reason of such absence. The date of the re-exam will be specified by the institute.

Marks obtained in the re-exam will be considered for the certificate.

Certification :

The student's overall performance in a course is based on the weighted average of his/her score in each of the schedule tests. The student is awarded a Grade Certificate after passing the course (i.e. on securing >40% marks in aggregate).

A student who has completed the course but his/her aggregate is less than 40% will be provided an Attendance Certificate and not a Grade Certificate. The grades awarded are as below

> = 80% is "A" – Excellent

> 60%-79% is "B" – Very Good

> 40%-59% is "C" – Good

< 40% is "D" – Fail
